

## AP 806.0 Student Teaching

- a. The university shall contact the superintendent or designee with a list of student teachers and a list of possible placements.
- b. The superintendent or designee contacts the teacher directly or through the building principal to see if the teacher is willing to supervise a student teacher.
- c. If a supervising teacher has concerns about a student teacher, he/she should address them with the building principal who will inform the superintendent or designee. The superintendent or designee will work with the university contact to resolve the situation as needed.
- d. No student teacher will be placed without the approval of the superintendent or designee, the principal, and the supervising teacher.
